Outer Packaging	
Outer Dimensions (LxWxH)	470 x 260 x 215mm

PLEASE NOTE:

Weight does not form part of the specification and is subject to change. Palm thickness is approximate and based on an agreed manufacturing tolerance. All thicknesses and weights given are an average for medium (8) gloves. All thicknesses and weights given are correct to the best of Polyco Healthline Ltd.'s knowledge at the time of input, however due to the manufacturing process, both thickness and weight may vary between batches.
